*What a fabulous half term we have had! It's been action packed, filled with exciting learning opportunities for children. Our staff go above and beyond expectations to ensure that lessons are fun, meaningful and progressive, with amazing outcomes. Don't forget to check out class blogs on our website to see what they've been up to.*

*Today was a brilliant end to a great half term. It was lovely being able to celebrate harvest together and I was amazed at the generosity shown - I know that many people will be delighted to receive the food and flowers our school family has donated. Thanks to Mrs Dawson for arranging flower deliveries and to the volunteers and Y6 children who helped her today. What a team! Mrs Channing*

### **A change of plan!**

As you know, Miss Charlton was due to leave us at the end of this week, as she wished to spend more time with her family. I have discussed current office staffing levels with the Trust and, as a result of this, Miss Charlton has been asked to stay with us for a while longer, working part time hours. This means that she will have time to be with her family and we retain her skills and experience - a great solution all round!

If you kindly sent donations for her leaving gift, please contact Mrs Hagan in the office, who will arrange for your money to be returned to you!

### **Farewell and good luck**

As the number of schools meals ordered each week has fallen, we have had to reduce the amount of hours worked in the kitchen for it to be financially viable. In response to this our kitchen assistant, Carol, has requested voluntary redundancy so has left our Roseberry family. I thank her for her hard work in the kitchen and wish her luck and happiness for the future.

### **Holiday Club and roadworks!**

I am delighted that Simon Carson Sport School will be operating their holiday club throughout next week. Please be aware that Roseberry Crescent will be closed during the holiday for resurfacing. If your child is accessing the holiday club, there will be no vehicle access to school.

### **Nuts alert!**

We have children in school with severe allergies who may be poorly if they come into contact with food containing nuts or someone who has eaten nuts. We'd be really grateful if you could ensure that no nut products are brought into school and that, if you provide food for birthday celebrations or RAFT events, you ensure that they are nut free. Thank you for helping to keep our children safe! and healthy!

The RAFT AGM was another successful gathering of our great, proactive team of parents. They are already busy planning fundraising events for our children. I am delighted Ceri Tate and Justine Sharman have agreed to continue in their roles at the helm of RAFT as Chair as Vice Chair for another year!
